2013 AQC Support Achievements

Our four-pronged support model is designed to help provider groups succeed in the AQC

- Develop dashboard
- Increased focus on benchmarks
- Increased focus on efficiency and leakage opportunities
- Medication Prescription Refill report

Data and Actionable Reports

Consultative Support

- Agenda setting collaborative
- Quarterly meetings (rather than at different frequencies)
- Focus entirely on "opportunity engagement"
- Off-cycle consultation opportunities

- PROMs collaborative
- Continue forums (focus on agenda items generated from groups)
- Off-cycle collaboration among the groups
- Annual goal setting/leadership meetings with groups

Best Practice Sharing/ Collaboration Opportunities

Communication & Training

- Leadership program (2013 cohort)
- Developed specialist focused leadership program (2014)
- Partnership with NM on provider portal
- Leadership reunion
